SO LONG

*ALL coiled down, an' it's time for us to go;
Every sail's furled in a neat harbour stow;
Another ship for me, an' for her another crew—
An' so long, sailorman . . . good luck to you!*

*Fun and friends I wish you till the pay's all gone—
Pleasure when you spend it an' content when it's done—
An' a chest that's not empty when you go back to sea,
An' a better ship than she's been—an' a truer pal than me.*

*A good berth I wish you, in a ship that's well found,
With a decent crowd forrard, an' her gear all sound,
Spars a man can trust to when it's coming to blow,
An' no bosun bawlin' when it's your watch below.*

*A good trade I wish you, an' a fair landfall,
Neither fog, nor iceberg, nor calm, nor squall,
A pleasant port to come to when the work's all through—
An' so long, sailorman . . . good luck to you!*

J. FOX SMITH.

THE CREW

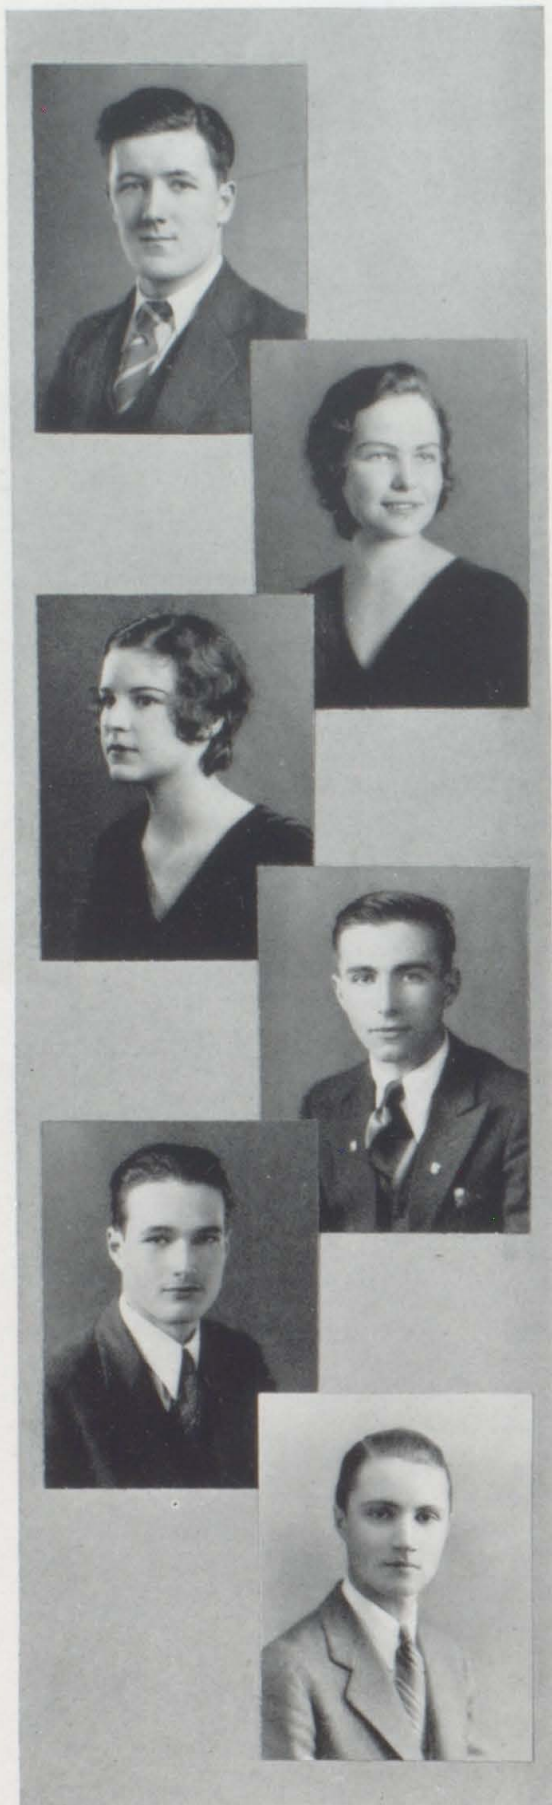

June, 1932

We are the crew of June '32,
Of the gallant fleet, the White and Blue,
Prepared to fight the sternest gale
With every stitch of billowy sail.

We have no fear; our rudder of might
Is cast of Honor, Truth, and Light.
So blow ye winds and fill our sails—
The foam of life's ocean will mark out our trails.

JACK TIGRANES SERABIAN.

THE ACROPOLIS

AS every Barringerite knows, a publication has existed in this school many years—in fact, since before 1860. The *Acropolis* has been printed as the official school magazine since about 1900. It has gained in influence and reputation, and won second prize among class A publications at the Columbia Scholastic Press Association this year—a step forward, as it was awarded third place in 1931. May the *Acropolis* prosper in future years and bring even greater honor to Barringer.

NATIONAL HONOR SOCIETY

THE Honor Society is the Phi Beta Kappa of the high schools of the country, and to wear its emblem is the greatest honor which can be bestowed upon a student.

Membership in the Society is based upon four cardinal qualities—scholarship, leadership, character, and service. Its programs lately have consisted of talks by prominent men on their vocations and avocations, and “hobby” talks by the members. Besides, the Society has endeavored to serve Barringer to the fullest extent of its abilities, and as long as it flourishes in our school, Barringer’s growing prestige is assured.

SCIENCE CLUB

THE Science Club is our largest club for the simple reason that it is the one club whose interests are not strictly confined to our particular group. Moreover, its programs have often consisted of famous speakers, supplemented by student participants. All of these programs are extremely colorful, especially those of George Brettell, who has often displayed electrical curiosities to the club. Recently, Frank Crilley, the best diver of the navy, entertained the club with many interesting anecdotes. Under the capable hands of Miss Rine, the club has flourished in all respects and promises to continue to do so as long as science plays an important part in our lives.

THE DISCUSSION CLUB

ALTHOUGH the Discussion Club is one of our newest organizations, it is probably the most valuable one. It is the one club that has endeavored to bring out the coherent qualities of argumentative oratory, native to some of our students. It has succeeded in so developing the reasoning powers, that to attend one of its meetings is to witness a discussion comparable to a lively session of Congress. All this has been accomplished under the expert tutelage of Miss Capen and Miss Peck, who have, in general, supervised the programs. Recently, it has had discussions on such subjects as *Citizenship*, *The Chain Store System*, *The School System*, and the *League of Nations*. With this brilliant start, a great future is to be expected of the Discussion Club.

THE ORCHESTRA

THE Orchestra has been organized for about twenty years. The personnel is drawn from the more talented pupils of the school. Some have played in orchestras before, and others have passed certain requirements of ability in musical art.

They have rendered several enjoyable programs on special occasions in assembly. They have willingly supplied musical accompaniment for plays and entertainments and have helped us along in many ways.

Miss Robinson has labored long and hard in training the Orchestra for the perfection which they have achieved. Altogether the Orchestra is one of the most important and successful organizations in Barringer.

June, 1932

THE BAND

THE Band, Barringer's newest musical organization, was started in 1930 under the able leadership of Mrs. O'Loughlin. For the past two years the Band has given its hearty support to the Big Blue on the football field. It has also played at many assemblies and now vies with the Orchestra and the Glee Clubs as the leading musical club of the school. It has met with great popularity in the past year and recently the turnout has been so great that Mrs. O'Loughlin has been literally flooded with the requests of students wishing to join the Band. The Class of June, 1932, wishes the Band and Mrs. O'Loughlin the height of success for the future—long may they play!

THE LATIN CLUB

WITH Mr. Haulenbeek as advisor, the Latin Club has flourished since its reorganization several years ago. Its officers bear Roman titles, and all its activities are carried out as far as possible in the Roman style. At its meetings interesting talks on Roman life and literature are given by members of the faculty and by students. There follow enjoyable games and refreshments, which tend to make the Latin Club a popular organization. By carrying on its good work, the Latin Club will continue to thrive and to be a valuable asset to Barringer as long as the Latin language is taught in our school.

THE ITALIAN CLUB

IL CIRCOLO ITALIANO concentrates on things Italian, ancient, medieval, renaissance and modern. The members delve in art and drama and music and history, as they are found in the land of Dante and Leonardo, of Goldini and Rossini.

They have, as a result of entertainments, been able to set aside a sum of money which is used to provide them with reference books and illustrative material for their studies.

They have acquired some very fine books in English on the history, art, and literature of Italy, which may be used for reference material by any Barringer student.

Their chief executive officer is the Consul, aided by a Pro-Consul, a Quaestor, a Tribune and three Lictors. Competition for the honor of office-holding is keen and once elected, the officers bend all their energy to making the term a successful and profitable one.

THE FRENCH CLUB

THE French Club was founded twenty years ago to enable French students to hear the language spoken and to learn more of the customs of the French. In the same interest the members have attended French cinemas and have given two French plays in assembly programs. One was called *L'homme qui Epousa une Femme Muette*, the other was *Le Baiser*. The customary trip up the Hudson is planned for the end of the term and a picnic is scheduled for June. The meetings are held every third Wednesday of the month under the capable supervision of Mr. Zweibel.

THE German Club is perhaps one of the quietest in the school, but nevertheless it has been very successful. Its programs have been packed full of delightful features, including entertaining games, instructive talks, and tasty refreshments. It has recently had excursions to the wonderful new steamers, *Bremen* and *Europa*, besides having its annual spring picnics, where everyone enjoys the ultimate in amusements. Its Christmas meetings have been deservedly looked forward to by all the members for their comfortable, homelike, German atmosphere. MR. SAWYER organized our Spanish Club in 1918, but unfortunately it was disbanded in 1929. Reorganization was gladly welcomed by the Spanish students, especially the 1B and 1A classes, who composed the club for one year.

During the time of the Freshman Regime, the upperclassmen became enthusiastic and in February, 1932, the club was reorganized with members of all grades of Spanish. From time to time the club attends a performance of a Spanish play in New York. Mrs. Bushakra and Mr. Zweibel are the very able club advisors.

CHESS CLUB

WHEN the Chess Club was organized in 1929 it was supported mostly by the members of the June '32 class.

At that time and in 1931 and 1932 a number of tournaments were played to decide who would be members of the team.

In 1929 Kleinman played fifth board; in 1930 he played second; while Moore played fifth; and during the '31 season Kleinman played second and Moore and Serabian alternated at fifth.

In the season of 1929 a green team from Barringer defeated the veteran East Orange team, a feat no team has been able to perform since that time.

The team had a fairly good season in 1931. It lost only to East Orange and one match to West Side.

During the past year, however, the team was not quite so successful. East Orange won three consecutive matches from Barringer. The end of the season found our team third in the North Jersey Chess League.

BARRINGER LIBRARY STAFF

THE Barringer Library Staff is one of the most important clubs in the school, for upon it depends the order and usefulness of the Library. It is an honor to belong to this club. Membership is limited, and scholarship and at least three periods a week duty are required. The staff is formed primarily for its service to the school, but its activities are not limited to that. It attended one of the best known musicals in New York, went to some interesting place for dinner and had a general good time.

OUR track team has completed another successful indoor season. The freshmen especially have done well by winning the Northern New Jersey Junior High Championship for the second time in four years of existence.

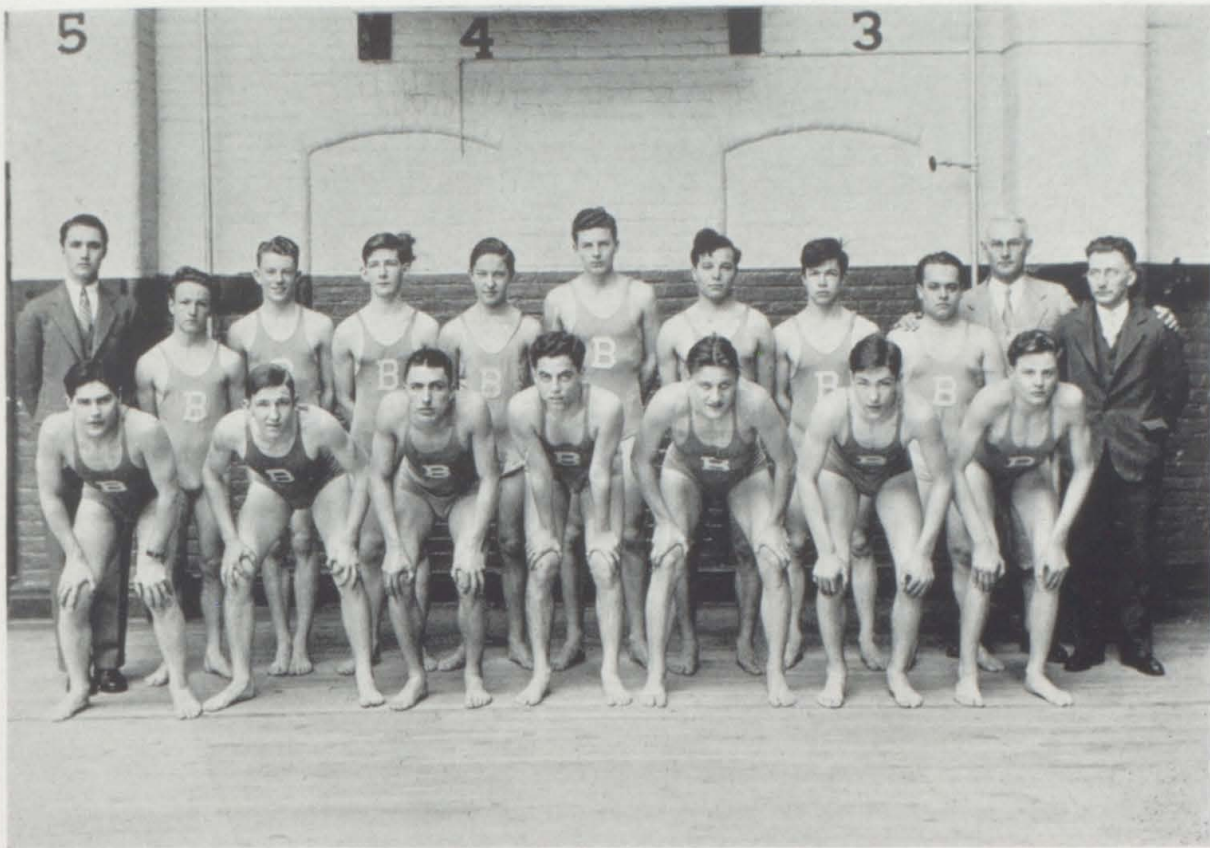

The first meet was staged at the Newark Armory under the auspices of the Newark Sunday Call. Our team placed second to Kearny, the winning squad, with fourteen points. First places were won by Captain Pietrangelo and Jack Hall in the seventy-yard dash and the mile, respectively. Tomson won fourth place in the mile; Horner, third place in the quarter-mile; and Polk, third place in the high jump.

On the following week, Barringer placed fifth in the Dickinson meet. Point scorers in this meet were Polk, Horner, Pietrangelo, Gornitzky, Hall and Casale.

In the state meet, which Kearny won, Central nosed out Barringer from second place by a single point. In this meet Jack Hall placed second in the mile run, and Cohn third in the quarter-mile. Other point scorers were Pietrangelo and Gaten.

With the coming of the outdoor season, Mr. Salerno has every hope for another championship team. The schedule for this year includes the following meets: Columbia, Penn Relays, Board of Education, Princeton, City, Kearny Relays, Montclair and other State meets.

THE Barringer mermen have just completed a fairly successful season. The team finished second in the City Meet, and broke about even in the dual meets.

Finger was captain of the team for the past season. For his fine work in the City Meet this year, Alex Bolton was elected captain for the next season. He captured the forty-yard free style in exceptionally fast time.

The following swimmers won their letters in swimming this year: Koenig, relays; Walsh, dashes; A. Fischer, two hundred yard dash; W. Fischer, relays and dashes; Cann, back stroke and diving; Tobey, diving; Miller, dashes; Finger, dashes and backstroke; Allsopp, two hundred yard; Bassity, backstroke; Comstock, breaststroke; Feind, breaststroke; and Jones, dashes.

WHEN the warm weather rolls around, everyone knows that it is tennis season again. As in past years, Barringer will take an active part in this nationally popular game.

Due to the new double session, Mr. Ayres has not been able to coach the team this year. However, a very capable substitute has been found in Mr. Saylor, who is a fine player.

As this goes to press, this year's team finds two letter men back, namely, Bob Brown and Jack Holmes. These two veteran players should strengthen the team considerably. Others, expected to show good work, are Bill Cann, Bill McGrath, Bill Fenwick, Fred Feind and Charles Banks.

As soon as the Branch Brook courts open, the squad will begin active practice.

The season opens on May second with Columbia, and extends to the end of the month. Eleven matches have been scheduled in all. Our opponents this year will include Montclair Academy, Montclair, East Orange, South Side and West Side.

Although the season has not yet opened at the time this is written, we are certain that the team will be worthy of Barringer's name.

THE Barringer Fencing Team has just completed its fourth consecutive undefeated season. The team wound up its season by winning the City Championship from South Side and West Side, and has attained a national reputation.

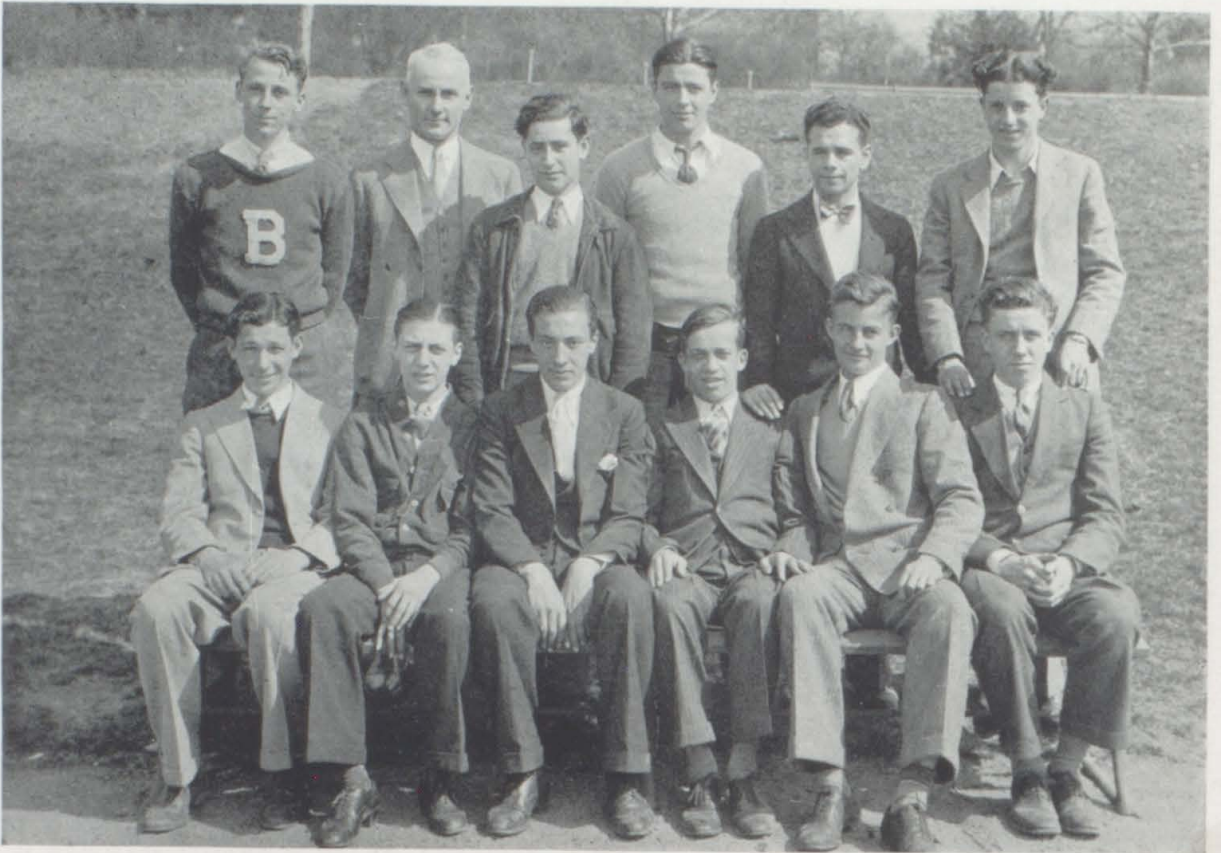

Don Cetrulo, the captain and star of the team, finished his season by winning his twenty-first consecutive bout, thereby finishing the season undefeated.

Those who compose the team are: Don Cetrulo, Michael Garrone, Charles Bout-sikaris, Joseph Restaino, Victor Califano, and Angelo Litioa. Since the team consists mainly of sophomores, it is looking for another very successful season.

A brief resumé of this year's victories follows:

Barringer	5	Saint John's	4
Barringer	9	West Side	1

THE Barringer golf team has created for itself quite a reputation in the short time that it has existed. In the two years of its maintenance, the team has won the city championship title twice, and last year tied with Thomas Jefferson for the state title.

This year with the return of Joseph Tappeta, Captain, and Ernest Lucodamo, last year's stars, Coach Payton foresees a highly successful season. He has built up a team to be composed of Tappeta, Lucodamo, Fenwick, and Lemmassena, with a reserve squad of Pureca, Goldhammer, Marcus, and Edgerton. A stiff schedule has been arranged with the local schools, Kearny, Verona, Caldwell, East Orange, and Newark Normal School. With such a team as named above, under the capable leadership of Tappeta, Mr. Payton and the rest of the school have every reason to be very optimistic toward the present season.

THE WINNING BASKETBALL TEAM

THE Girls' Basketball Season ended with a sweeping victory for the senior team, of which Helen Aspinall and Norma Stern of 4B also were members. There were twelve teams among the Seniors, Juniors and Sophomores and through elimination preliminaries two teams were selected who were to play for the school championship, one a Senior and the other a Sophomore team. The Senior team was decidedly superior, as was proved by the large score they made, which was forty-three to the Sophomores' ten. From the forty-two girls, of whom Miss Decker was coach, these same six Seniors, strangely enough, made a place on the All-Star Team.

The following was the season's lineup: Forwards: Marion Miller and Helen Aspinall; Guards: Evelyn Macallister and Norma Stern; Center: Helen Zeliff; Side Center: Gertrude Groves.

MAJOR "B" MEN

JOHN RODGERS

Johnny played varsity guard on the football team in '28, his first year out, and again in '29. When '30 came he played center, and was elected captain for '32. Last year he played in the backfield. Johnny has received four major letters and a gold football in recognition of his skill. Johnny also took an active part in track. He has received, in addition to his letters, a wreath emblem and gold track shoe.

HARRY BUTTERWORTH

"Red" was one of the outstanding athletes of the class as he sported the Barringer colors on both the gridiron and diamond. "Red" played varsity end on the football team in '30 and '31. In baseball he made his letter in '29 and '30. "Red" leaves Barringer with four major letters and a gold football.

CHARLES BANKS

Charlie's main interest in athletics has centered about football. In '29 he began by learning the fundamentals, but was ineligible in '30. But in '31 Charlie played in the majority of the games, with the result that Coach Pritchard rewarded him with a major "B". Charlie also has been active in baseball and earned a "B2" in '31.

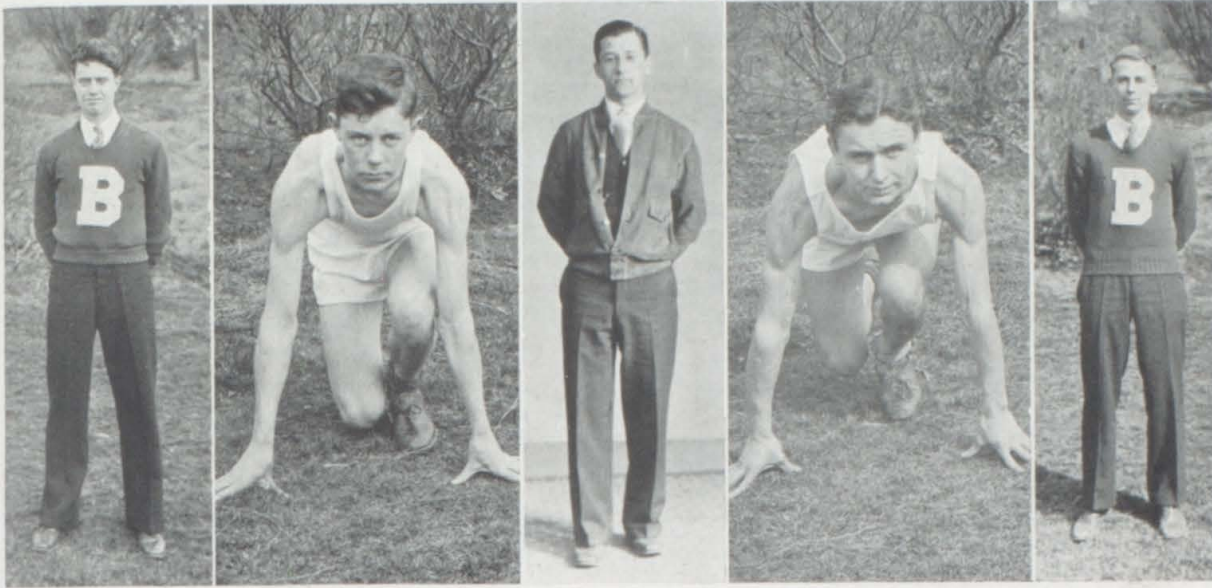

RAY GORNITZKY

"Ray" started by going out for cross-country in '28. When '29 rolled around, he went out for track, winning his letter four consecutive years. In '30 he was presented with a wreath emblem. "Ray" tried football first in '29. In his last year, he was rewarded for his efforts with a major "B".

DAN KLEINMAN

Football was Dan's favorite dish. He had been trying hard to earn his "B" in this branch of athletics for two years. In his first year a wealth of veterans and skillful ballcarriers kept him on the bench. In his last year, however, Dan succeeded in winning the coveted honor.

June, 1932

MAJOR "B" MEN

ROBERT BROWN

"Bob" has devoted his athletic abilities to three sports. In '31 he gained a berth on the city cross-country champion team, winning his "B". In '32 he was a member of the track team. However, Bob's value lies mostly in his strength as a tennis player. He was a star performer, winning a "B" for every year he attended Barringer.

GRANT DUAY

In the season of '31 Duay went out for baseball and for his good work at second base, Coach "Lew" Field awarded him the coveted block "B". Duay undoubtedly would have had another successful season this spring had not baseball been discontinued.

JACK HALL

Distance running is connected with Hall's name. Jack, our diminutive star, came out for cross-country in his sophomore year. He made the varsity in '29 and '30. In '30 he was captain of the team. Hall also came out for track, and proved a consistent scorer in the mile run. Besides earning his "B" in both track and cross-country, Hall has two wreath letters to his credit.

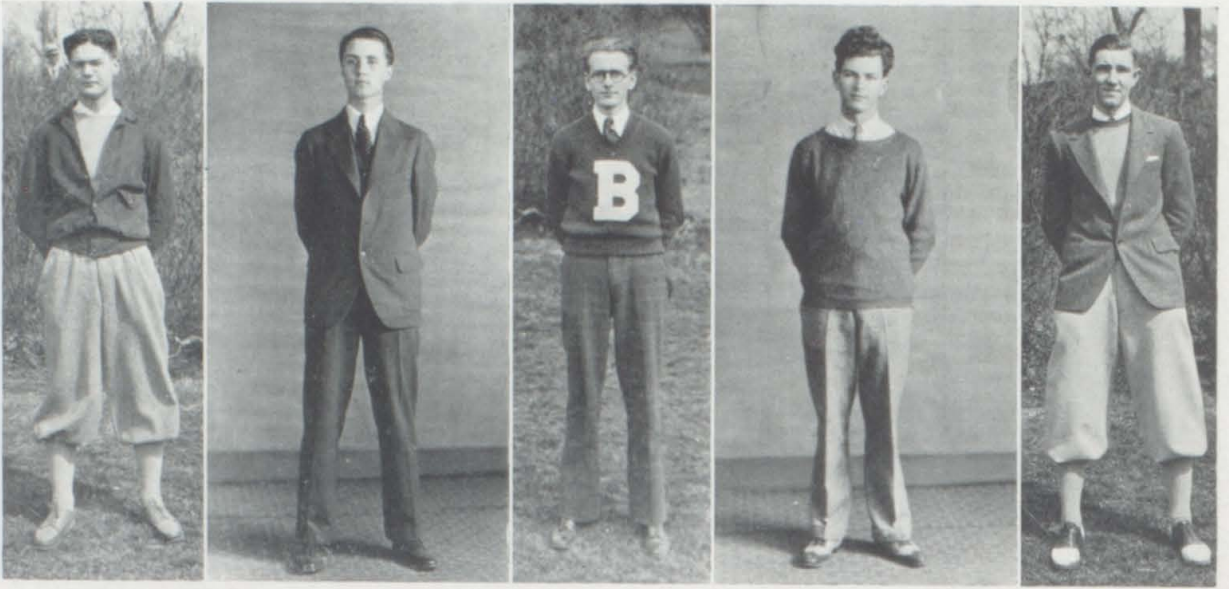

FRED EDGERTON

Fred has been a very versatile athlete. He began his athletic achievements when he ran in freshman cross-country. Then his views turned to baseball where he was busy in '28 and '31 as a pitcher, earning his major "B" in the latter year. In '30 Fred tried his hand in track, and in his last year we find him active in the popular sport of golf.

ALAN CASALE

Who doesn't know Casale, our little hurdler and sprinter? Casale came out for track during his sophomore year. In '29 he earned a "B2". In '30 he won the city championship in the 220-yard low hurdles and scored more than the required number of points for his major "B". In the fall he went out for cross-country. This year Al is expected to do wonders in the 220-yard low hurdles. This spring he won the Intramural Track Championship.

The Clipper

MAJOR "B" MEN

FRED FEIND

Fred's athletic interests have been centered around tennis and swimming. Out for the tennis team in '30, '31, and '32, he successfully gained a "B2" for his hard and faithful work. Fred's greatest ability, however, is in his talent as a swimmer. For his fine work in the 100-yard breast-stroke, he was awarded a major "B" in '31 and '32.

ALBERT KOENIG

Koenig's athletic career has consisted of three seasons of swimming for Barringer. In '30 and '31 he developed himself for a successful '32 season. This year he was a regular member of the championship relay team.

HENRY BARKHORN

Henry has served as the manager of the swimming team for the past two seasons. For his fine work Coach Payton awarded him a minor "B" in '31 and a major "B" in '32.

MARSHALL KING

Marshall devoted his time to two seasons of cross-country. In 1930 he acted as an able assistant manager. Then for the following season of '31 he was elected manager. For his untiring labors during that year he received a major "B".

SHERMAN McGOVERN

Sherman was seen in the ranks of the cross-country candidates in '30 and '31, after he had tried his skill at track in '29 and '30 without success. Finally he went out for the managership and here his ability shone. In '31 he was assistant manager of the track team and he was manager in 1932, thus gaining his major "B".

June, 1932

MINOR "B" MEN

JOE TAPPETA

"Joe" was one of the outstanding men on the golf team in '31. For his efforts he was elected Captain for the '32 season. He was a member of the City Championship Team in '31.

EDWARD COLAVITA

"Ed" was one of the few men in school to secure his "B" in golf. He made his letter both in '31 and '32, and was a member of the City Championship team in '31.

JACK HOLMES

In his junior year, Jack first went out for tennis and for his good work he easily gained his letter. In the approaching season of '32 Jack is expected to have a very successful season and to be a mainstay of the team.

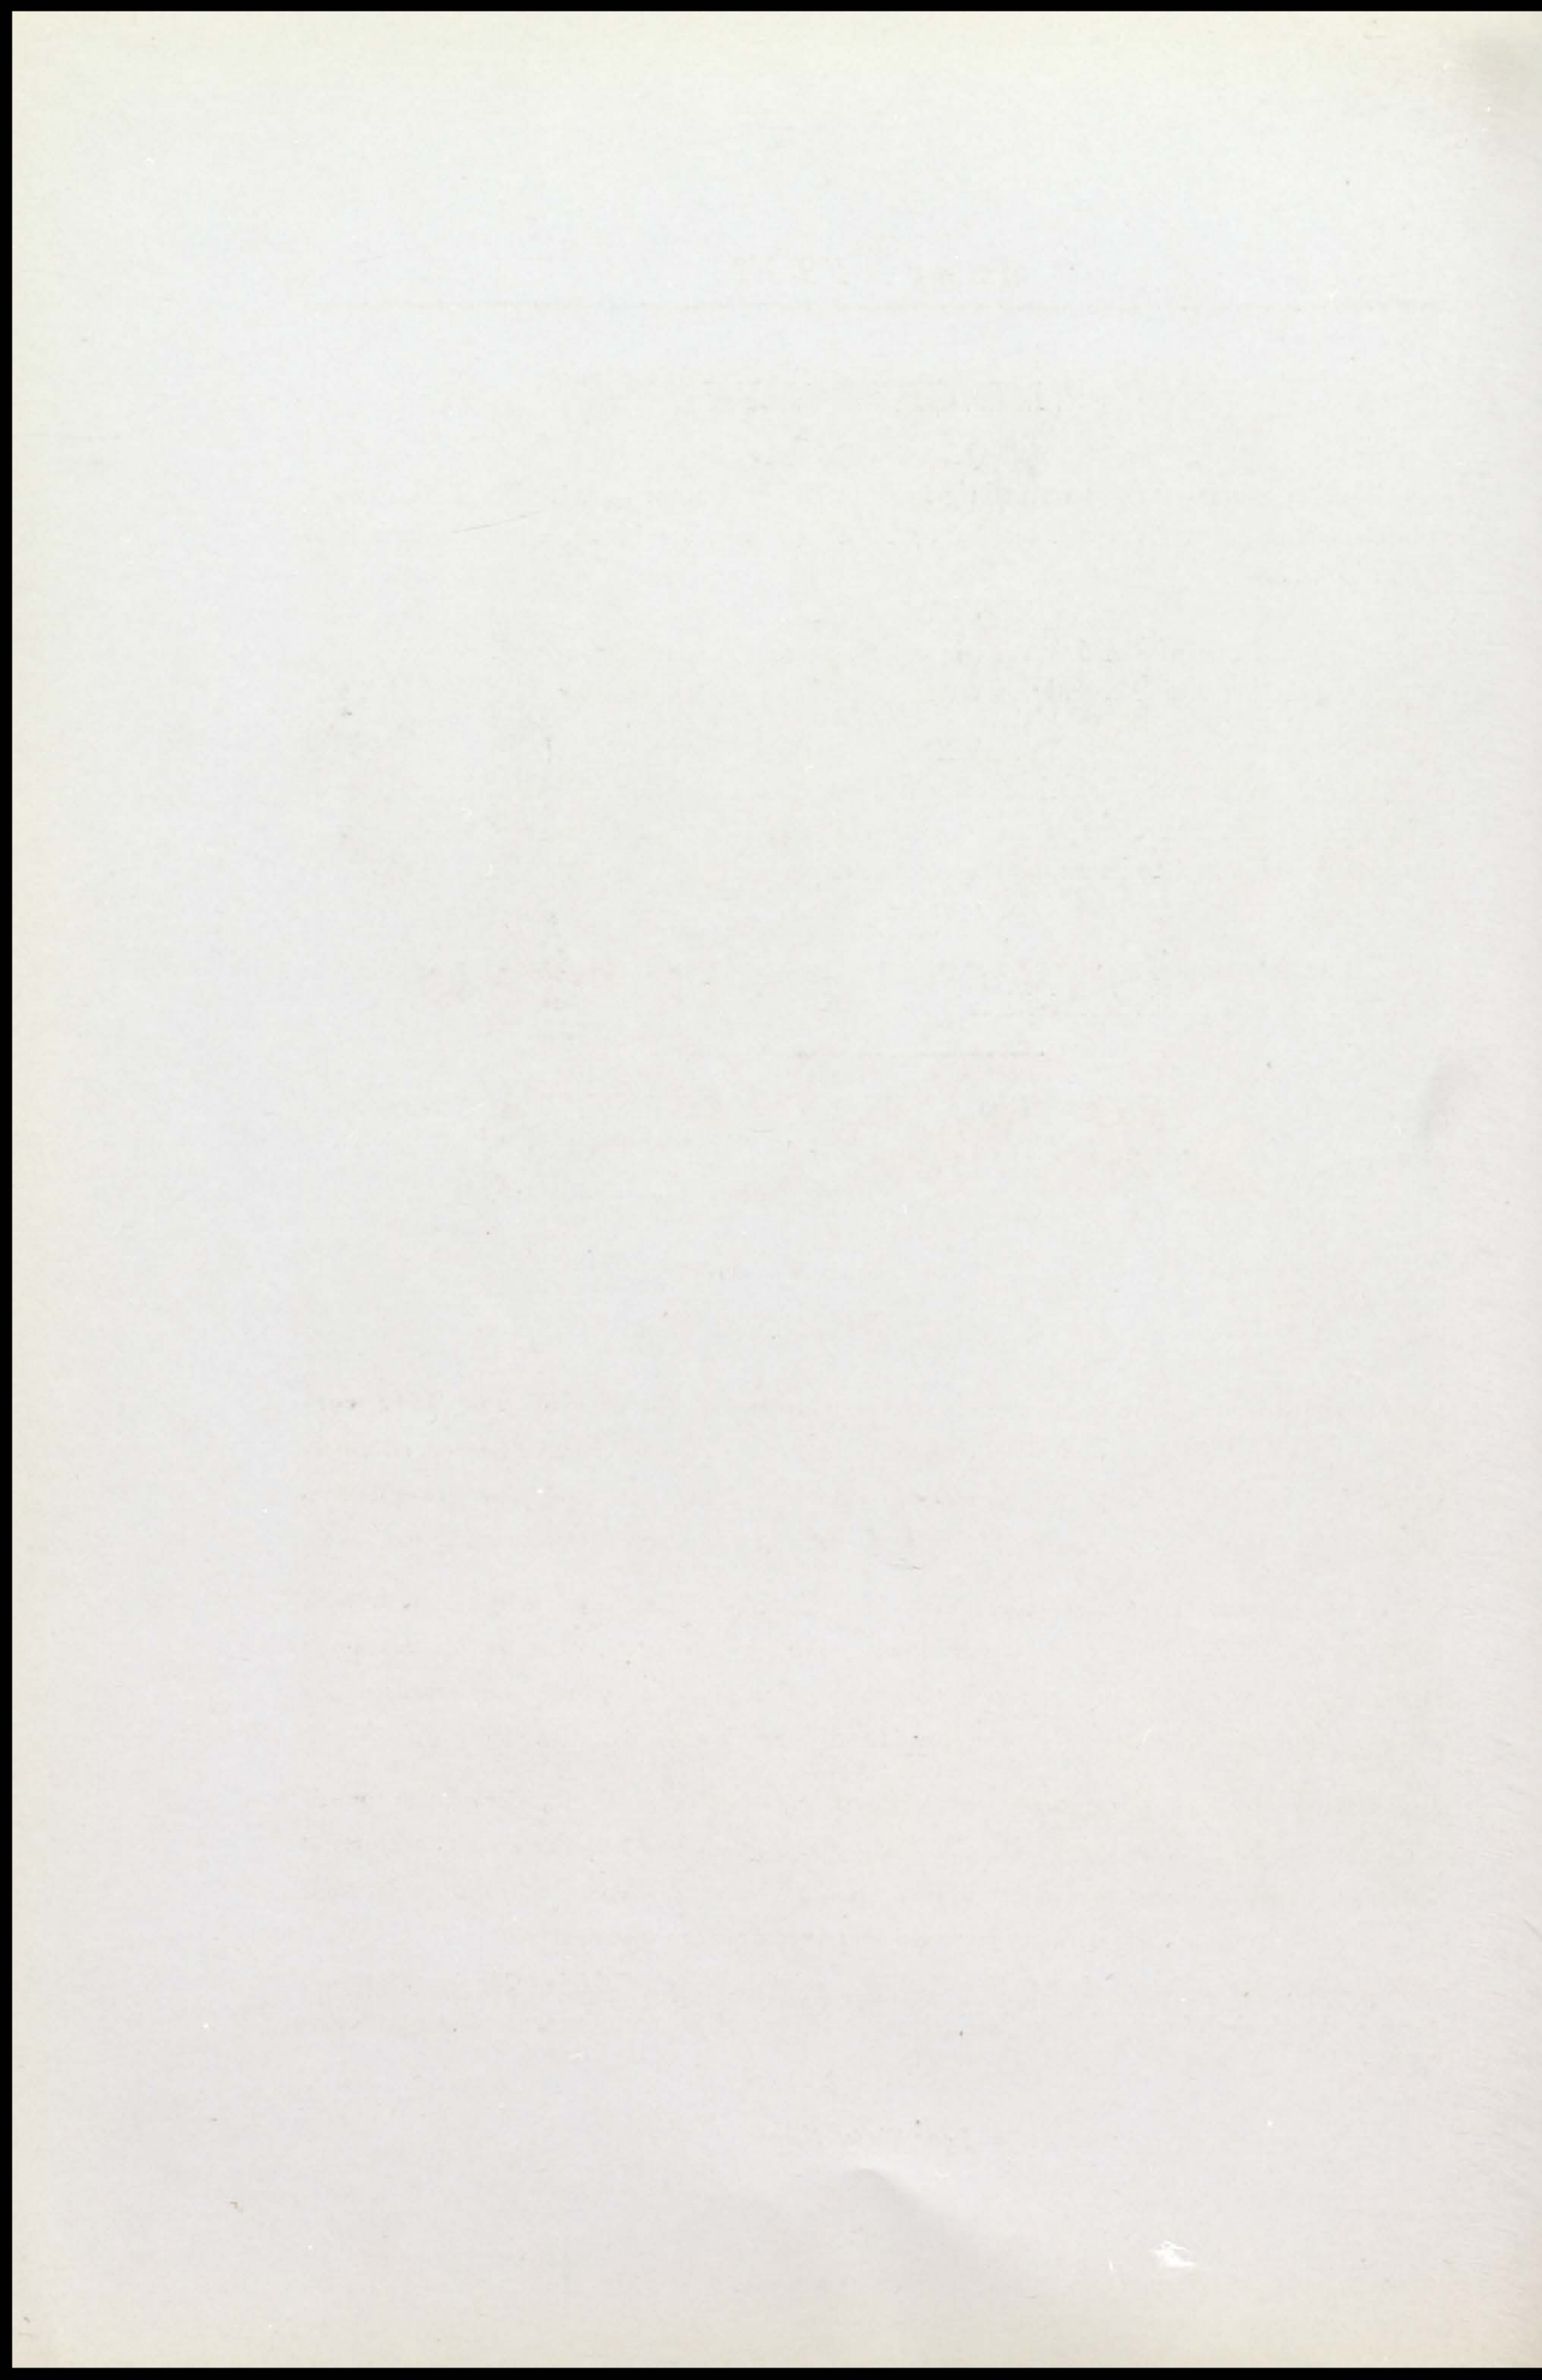

JAMES LAZAROFF

James went out for assistant manager of tennis in '31. He was elected manager for 1932 because of his faithful service.

CHEVRON GIRLS

Evelyn Macallister, Anna Caprio, Elinor Gammons, Cabiria Caprio, Gertrude Groves, Marjorie Woodruff, Estelle Edelmann, Margaret Schott, Frances Biunno, Marion Miller.

EDITORIAL

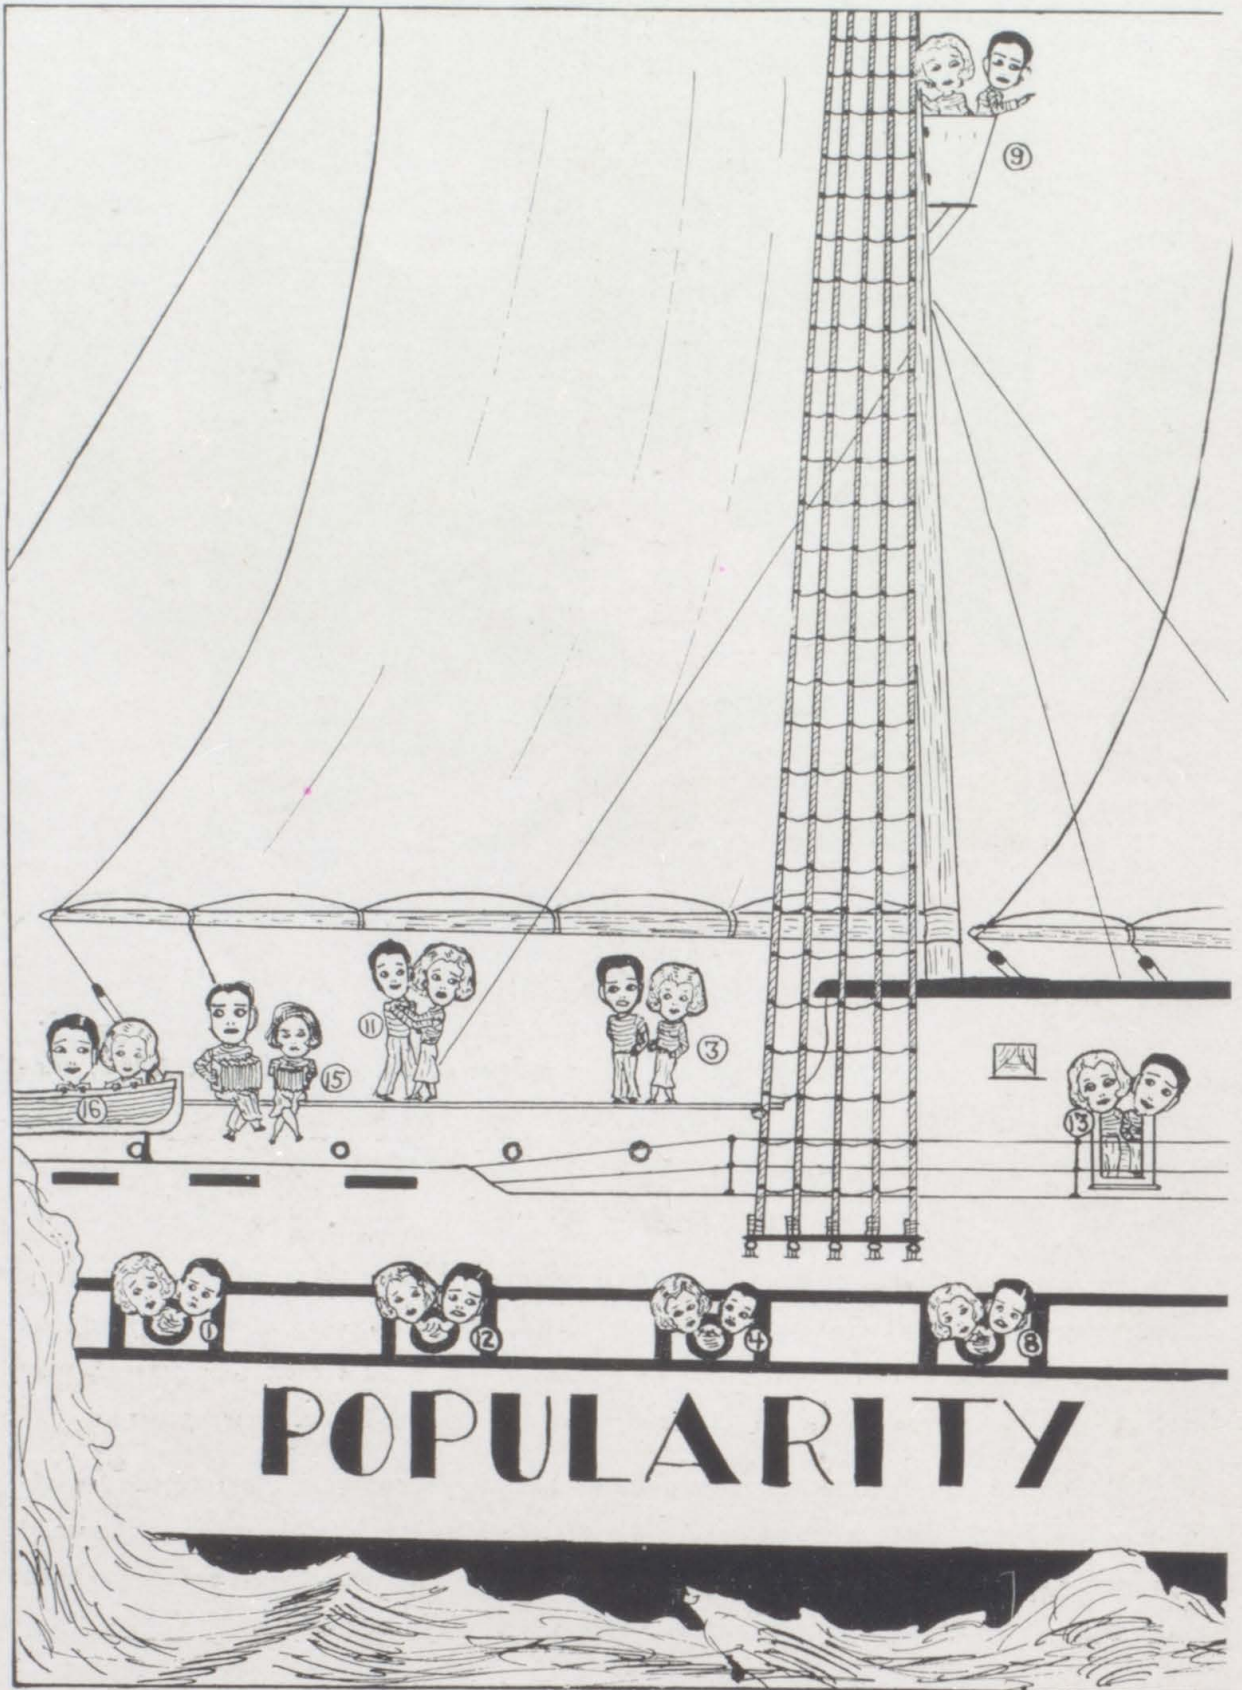

It is with a tinge of sadness that we, the members of the class of June, 1932, contemplate leaving High School. During our brief stay here we have experienced many happy hours in these halls and classrooms. But the gong has rung, the gangplank is about to be lifted, and we must go—we must set out for various unknown shores.

It is also with a sense of expectancy that we depart. For there will be excitement and novelty in the spectacle that will slowly unroll before our eyes as we sail along on the voyage of life. No one can tell what hidden crags, what treacherous storms, may beset us; but our ship shall travel staunchly onward toward the ultimate goal.

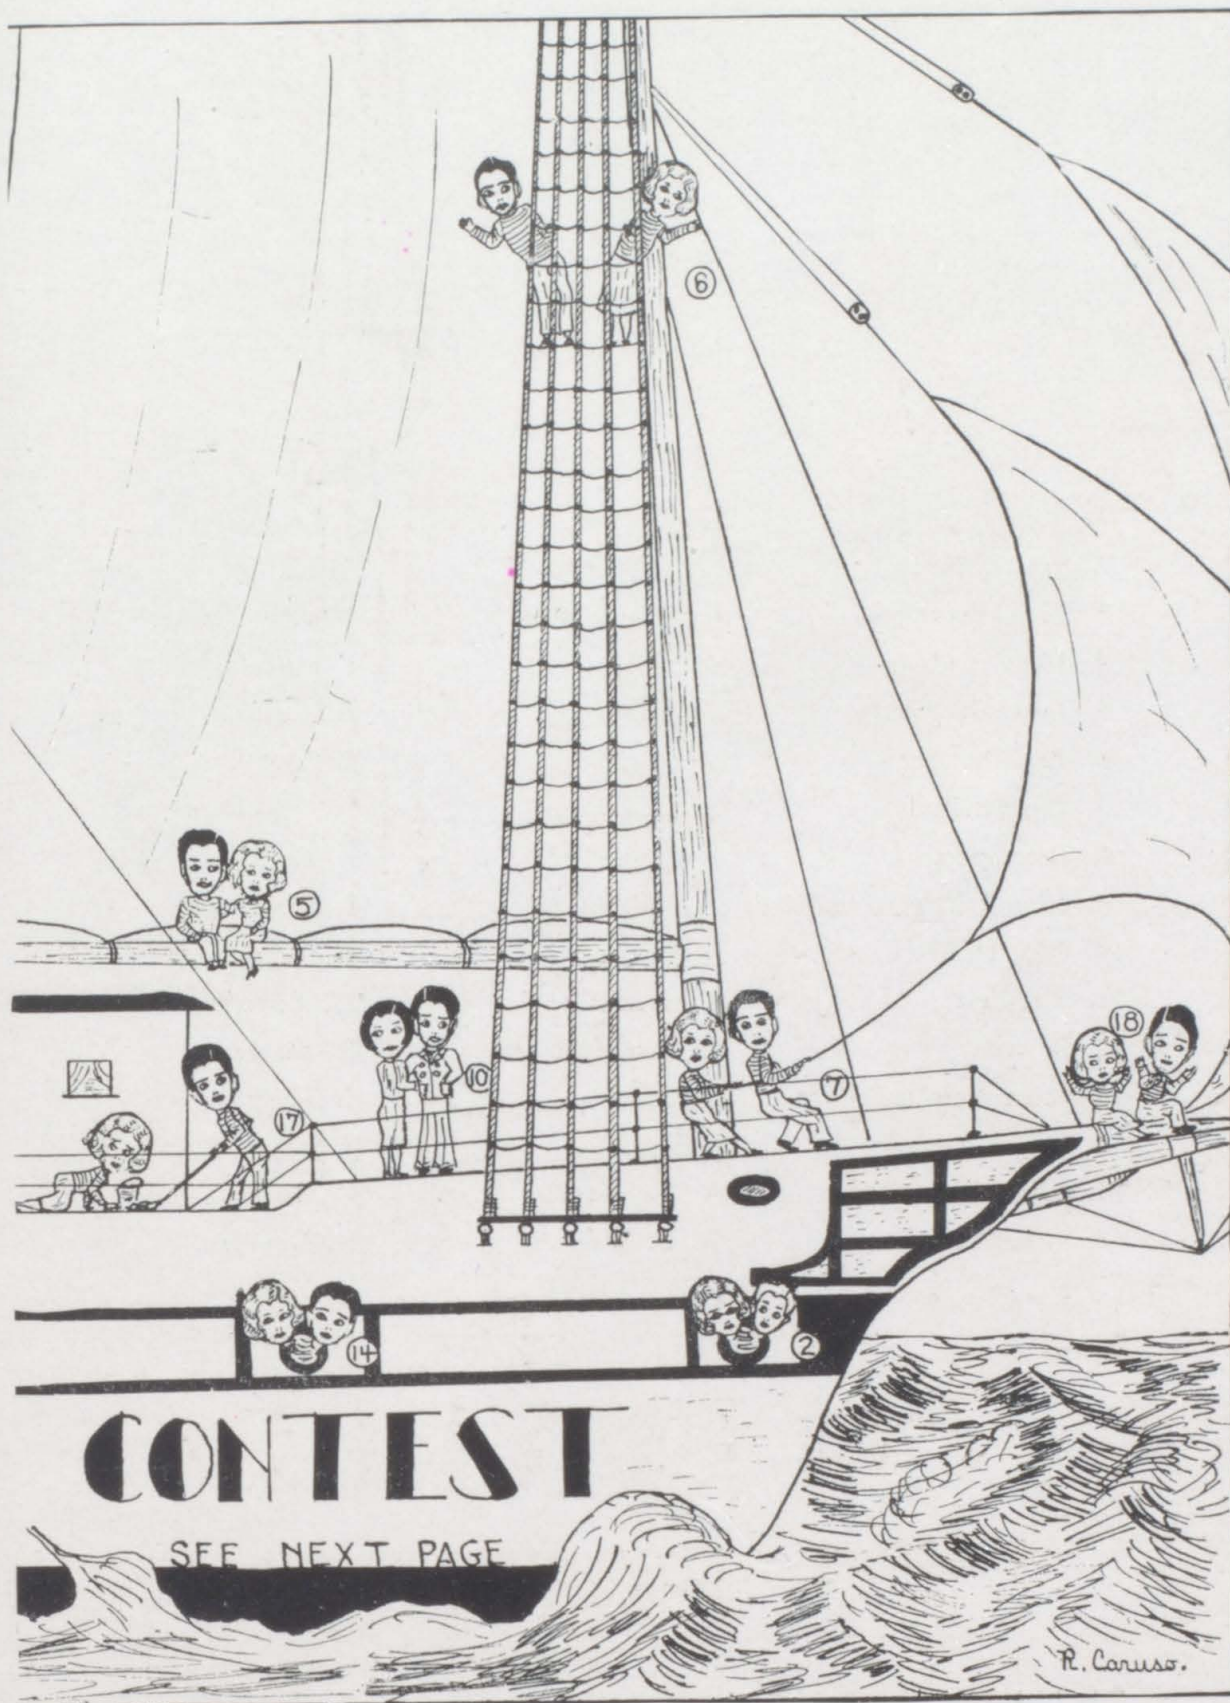

Classes have been graduating from colleges and high schools since before the founding of our nation. They have all cried their praise of their Alma Maters in a thousand ways until there remains nothing new to be said. We, as we depart, can only echo their sentiments—thoughts old in form but new and ever-fresh in our hearts.

Now the final gong has sounded, the gangplank is up, and we slip out of port on to the Sea of the Great Future.

CLASS SONG

Music—EVELYN WILCHER

Words—LAURA YERZLEY

1.

The sails we raise, the wind is strong;
Adventure calls, we sing a song
Which holds the praise of all the days
Since class songs were begun.

2.

The sea does call; the sinking sun
Makes shadows flee. One task is done
Yet each and all of us are thrall
To what the future shows.

Chorus

Chorus

The harbor lights of Barringer
Fade slowly in the sea.
Blow gently wind, blow steadily,
We give our sails to thee.

3.

We're sailing far to other lands,
To verdant shores or barren strands.
Bright shines our star; no tempests mar
Our gay and hopeful dreams.

Chorus

CONSUMMATION

By MARY A. RUMRILL

We rise, we stand, and turn away,
We lift our faces to the sun,
Our arms reach out to grasp the day,
To hold the trophy we have won.
Our tongues are loosed, our eyes awaked.
We hear, we feel, we taste, we know—
Down to the fountains, thirst unslaked,
In twos, in threes, in groups we go—
Our youth is held within our hands
In bowls of copper, tin and gold
We plunge with them through shifting sands
Our precious birthright still unsold
We reach the fountains and we drink
Waters of learning and of life
Deep we quaff and deep we think
Of matters of eternal strife—
We settle questions and we judge
A star and nation, ships and kings
We hold with life no inner grudge
We live, we love, we laugh and sing.

HOOEY BY LOOIE

(Your columnist with the neck we love to touch.)

A little bird told us that our friend Bernstein is going places with a baby-talk. (That's O. K., Seymour, don't get sore.)

Take a tip from a pal (yeah), don't get that Lazaroff sister talking on class politics and the word "pull".

Don't say I told you, but, Terzo, Stiehl, Fisch and Hofer hate women. (Saps.)

In this marvelous class of ours 90% want to go to college, 75% expect to go some day and about 40% are going in September.

Do you know that out of the whole 160 in the class only 13 (lucky number) are strong enough to last through four years of Latin. Take your hats off to them!

Has anyone told you that Janice Piper and Ethel Erlich have the cutest laffs in the whole class? (Oops, there I go again! Every time I see a woman there's something to remind me of that breach of promise suit. Gee, I never saw anything in a "skoit" anyhow!) (Did you ever hear my horse laff?)

This is good! Johnny Rogers fell off a horse once. (Ask Butterworth to explain how the fish kicked him.)

EVEN BEFORE . . . YOU LEAVE SCHOOL . . .

THE younger set no longer waits until it is time to leave school before starting a savings account.

Many have learned among other things that having money in a savings account at the United States Savings Bank is especially helpful to school life just as it is an essential part of success after leaving school. So why not begin saving now?

We cordially invite you to open your savings account with us.

Definitions by a Cynic

1. A woman is a dumb creature who lifts her face to get back her youth, and lifts her skirts to get that youth.
2. When you hear a fluffy piece of sweetness say, "Is Ouchy Coutchy's big strong man going to take 'ittle Ouchy out tonight?"—that's Baby-Talk.
3. And when Ouchy's big man says, "Yes, Ouchy's big strong man will take his 'ittle Ouchy out"—that's Love.
4. A teacher is one of those who doesn't know anything, and then asks us questions.

Several Freshmen have spent many sleepless nights trying to decide just what the functions of the faculty are.

The faculty, dear innocents, is a body of people paid to help the Seniors run the school.

"Sir", said an old woman to a loafing neighbor, "If you don't give me my husband's breeches I'll expose you."

"Madam", replied the loafer, "if I do I shall expose myself."

Miss Peck: "If you saw a fire, what two English poets or authors would you be apt to mention?"

Scher: "You'd surely say, "Dickens, how it Burns."

A Few Things I Learned at Barringer

1. A theatre is a sad place because the boxes are in tiers.
2. A woman laughs up her sleeves while a man talks through his hat.
3. The yell a man sets up when he stubs his toe is one of the worst forms of foot-bawl.
4. It's the absurd creations that the women wear on their heads in the theatre that men can't overlook.
5. The barber tells a hair-raising story when he tries to sell a bottle of hair-tonic.
6. A suicide blonde is a brunette who dyed by her own hand.

I know a cute kid named "Cabbie"
Who never, never, looks shabby,
But so thick is her paint
That she seems what she ain't,
But underneath she's good-hearted "Cabbie".

Seniors were born for large things,
Freshmen were born for small,
But it hasn't been discovered why
Juniors and Sophs were born at all.

Oops, My Dear!

Gert: "How do you like my new chapeau?"

Young: "Not bad, but where did you get that awful hat?"

Do Do: "What kind of wood are you?"

Moore: "What do you mean?"

Do Do: "Well, you're on the *Acropolis* Board, aren't you?"

White: "I heard your friend had his left side cut off by a train; how is he now?"

Serabian: "Oh, he's all *right* now."
